In the year 2014-2015, the County of Brunswick's Public Utilities Wastewater Collections Division as contract operator maintained and operated the sewage system for the City of Northwest. The sewer system consisting of a combination of low pressure and vacuum sewer serving 283 customers experienced only minor problems with no reportable sewer spills during this period.

Brunswick Operators have performed all necessary preventive maintenance as required with the system operating at normal. It is the County's intent to provide a copy of this report to the State of North Carolina by mail in July 2015 and to the City of Northwest. The report will be posted on the City's Web site, copies will be available at the Town Hall, and is available for viewing at the Brunswick County Public Utilities Web site at:

Questions, comments, or requests for paper copies of this report should be directed to the City of Northwest at 910-655-3110.

I hereby certify this report is complete and accurate to the best of my knowledge.
