

**County of Brunswick  
Board of Commissioners Compensation**

**Effective: September 20, 2010 Approved (Retroactive to September 6, 2010)**

The Brunswick County Board of Commissioners hereby:

- Establish compensation for the chairman of the Board of Commissioners at \$26,000 per year to be paid in twenty-six \$1,000.00 bi-weekly payments.
- Establish compensation for the Members of the Board of Commissioners at \$21,000 per year to be paid in twenty-six \$807.69 bi-weekly payments.
- Establish the above compensation amounts to include in entirety all compensation for services performed both within the county and outside of the county. The above compensation shall include all in-county travel and expenses. There will be no payment for expenses related to travel or performing duties within the county.
- Adopt the Travel Policy Revised approved on September 20, 2010 for elected officials which requires pre-approval of travel by the Chairman and reimbursement of expenditures in the same manner as county employees.
- Advise all elected officials to follow county policies for use of credit cards and procurement of goods and supplies.
- Provide health insurance, dental insurance and life insurance to commissioners that elect to receive coverage at the same level of benefit and cost, if any, as provided to county employees. Provide dependent health insurance and dental insurance to commissioners that elect to cover their qualifying dependents at the same cost as paid by county employees.
- Establish that increases and decreases to the Board of Commissioners' compensation will be the same percentage or amount as approved in any budgeted increases or decreases made for county employees thru merit pool adjustments, across the board pay adjustments, bonuses, or other compensation adjustments affecting all county employees.
