

County of Brunswick
Office of the County Commissioners

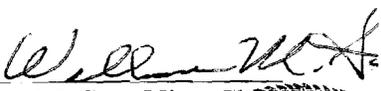

**RESOLUTION FOR APPROVAL OF CONSTRUCTION CONTRACT
MODIFICATIONS AND CHANGE ORDERS**

Whereas, Brunswick County is undertaking capital projects that are time sensitive and by establishing thresholds and policies regarding the approval of change orders and contract modifications for construction, architects and engineers, the County may manage capital projects more efficiently and effectively.

Now therefore, the Brunswick County Commissioners are hereby resolved to establish the following policies and procedures for change orders and contract modifications:

- Construction, architect and engineering contract and professional services change orders for amounts that are within the available budget appropriation and capital project ordinance for an additional amount less than or equal to \$25,000 may be approved by the County Manager with a report to be placed on the consent agenda of the next regularly scheduled Board of Commissioner Meeting.
- Construction, architect and engineering contract and professional services change orders for amounts that are within the available budget appropriation and capital project ordinance for an additional amount less than or equal to \$50,000 but greater than \$25,000 may be placed on the consent agenda of a regularly scheduled Board of Commissioners meeting.
- Construction, architect and engineering contract and professional services change orders for amounts greater than \$50,000 shall be placed on the administrative report agenda for consideration of the Board of Commissioners.

This the 17th day of March, 2008.

William M. Sue, Vice-Chair
Brunswick County Commissioners

Attest:

Deborah S. (Debby) Gore, Clerk to the Board, CMC
