

BRUNSWICK NATURE PARK

Location: The Brunswick Nature Park is located on River Road (NC 133) in Town Creek Township, NC about 10 miles from Leland, NC.

Amenities: There is 911 acre of wonderful undeveloped wilderness that provides a dynamic mix of vegetation, wildlife, ecosystems, vistas, wetlands, and waterways. It is truly an environmental oasis worthy of exploration. With Phase one of this project completed in early December you can enjoy our new kayak/canoe launch site, 40 by 40 picnic pavilion perfect for a family gathering and a small fishing pier. This park is open from dawn until dusk.

There are no established trails at this time but you are welcome to do some exploring on your own! If you would like more information about this park please call 910-253-2670.

Future phases of this park will include walking trails, biking trails, horse trails, and viewing platforms at scenic overlooks. Future phases have not been determined and will dependant upon funding.

Picnic Pavilion is on a first come, first serve basis. There is a charcoal grill available for use at the site.
