## Brunswick Nature Park Update

SORBA Trail Building Workday held on Dec. 4th

Brunswick County was recently awarded a grant from the Department of Environmental and Natural Resources to construct biking, hiking, and equestrian trails. The Cape Fear Area Chapter SORBA (Southern Off-Road Bicycle Association) began it's work on constructing biking trails in our popular Brunswick Nature Park located on 133 just outside of Leland.

SORBA is the largest nonprofit mountain biking organization in the Southeast promoting advocacy, education and recreational opportunities. SOBRA carries out it's mission to promote land access, trail preservation and new trail development in order to enhance mountain bike touring, racing, fun and fellowship for all mountain bicyclists in the Southeastern United States.

**If you would like to become involved with this organization, please contact Greg Binson at [greg@binsonansons.com](mailto:greg@binsonansons.com)**

## Waccamaw River Blue Trail Informational Public Meetings

We are looking for Brunswick County Community members to provide feedback on a project called the Waccamaw River Blue Trail. We will be hosting some public meetings to describe the project.

This project is in the beginning stages and community feedback is greatly appreciated.

There will also be an opportunity for questions.

**If you would like to find out more about this project, please contact Jennifer Long at 910-640-2818.**
