Little Princess Ball: Big Event for Brunswick County

Third Annual Little Princess Ball turned Grand Event. Over 400 attended this year's Ball to participate in fun, games, dancing, and much more. Little girls dressed for the occasion wearing their favorite dress, or princess outfit and were escorted by none other than their favorite male role model. Some girls came with their fathers, uncles, and grandparents. The event has gained in popularity and was offered at two locations this year with one location selling out days before the event. This is a special program that offers girls one-on-one time with important men in their life. We appreciate all the wonderful support from the community through donations, volunteerism, and overwhelming enthusiasm for this great program.

Thank You so much Brunswick County! If you missed it this year we hope you can join us in 2012!
