### NC Senior Games State Finals Winners!

The North Carolina Senior Games State Finals were held in Raleigh the week of September 21st and several Brunswick County Seniors brought home medals. The weekend consisted of a cheer and dance opening ceremonies where our very own "Gatoettes" performed. We also had several participants with entries in the very popular Silver Arts portion of Senior Games which focuses on photography, painting, dramatics, and a Silver Arts Show. Brunswick County is proud of everyone who participated in this year's program and is especially proud of medal winners.

Congratulations and we hope you participate next year!

Pictured from left are Dennis Maneri, Martha Reese, Charles Jackson, and Ken Weyman. Maneri earned a pair of gold medals in swimming, Reese won a tennis doubles gold and Jackson took home a silver in table tennis. Weyman won two gold medals and three silver medals in swimming.

### Construction Progress: Brunswick Nature Park

The Brunswick Nature Park construction is moving along and we hope to have this park open in the next couple of months. The Nature Park is designed to be a passive recreation area where residents of Brunswick County can enjoy hiking, biking, exploring, kayaking/canoeing and picnicking. The park has over 900 acres mostly wooded land which borders the beautiful Town Creek River. If you enjoy nature you must visit this park and do some exploring for yourself.

The park is located off of HWY 133 just minutes from Leland, NC. Brunswick Nature Park will also have a 40 by 40 picnic pavilion that will be perfect for a family reunion or cookout!
