Location: Board of Elections Office

Agenda Item: Conduct Sample Audit Count

Summary:

The sample audit count, required by state law, helps ensure the reliability of election results tabulated by a machine. Bipartisan teams at each county board of elections conduct hand-to-eye counts of all ballots in two randomly selected precincts and compare the results with the results of the machine counts. The process verifies the accuracy of the machine counts.

Agenda Item: Challenges to Absentee and Early Voting Ballots

Summary:

[Numbered Memo 2022-05](#) provides guidance for county boards to challenge ineligible absentee-by-mail and early voting ballots. The qualifications for all voters, including early and absentee voters, are judged as of Election Day.

What if a voter dies after voting absentee-by-mail or early voting but before Election Day?

- Prior to taking any action, obtain official confirmation of the death. Permissible sources include the DHHS List Maintenance Reports, death certificate from the local register of deeds, or a written, signed notification from a near relative.
- Follow the Process for Disapproving the Ballot Application (if applicable) and Challenging the Ballot above.
- Remove the voter pursuant to G.S. 163-82.14(b).

Voter Registration Denied

G.S. 163-82.7(g)(2) provides that when a voter verification mailing and second notice verification mailing are “returned as undeliverable after a person has already voted by absentee ballot, then that person's ballot may be challenged in accordance with G.S. 163-89.”
