

DEFERRED SUBMITTAL AGREEMENT

Brunswick County Code
Administration
75 Courthouse Drive Building "I"
Bolivia, NC 28422
(910)-253-2021 (Option 2)

Your Name (first last) _____ Are you the applicant? ___ architect ? ___ engineer? ___

Project Name: _____

Project Address: _____

Building Permit Number: _____ Date Issued: _____

The Applicant, Engineer, or Architect, in responsible charge is accountable for the review and coordination of all submittal documents and to ensure they are compatible with the design of the building.

Deferred submittal items are for components, elements, fixtures, manufacturer specifications, or manufacturer engineering information, that are not or will not be available prior to the issuance of a permit.

1. Please indicate items below and upload this form to the portal. Please contact Central Permitting at 910-253-2021 Option 2 if you need technical assistance with the portal.
2. The building official will review to determine if the items qualify, and you will be notified via "Plan Review" comments in the portal.
3. All approved deferred items will be required prior to the time of field inspection.
