WHAT IF I DO NOT RETURN THIS FORM?

You will be billed for all property listed on this form plus a 10% penalty will be added to your 2020 taxes. If you own any property that is not listed and remains unlisted for multiple years, the property may be subject to a tax discovery which by law requires severe penalties of an incrementing 10% for every year the property is not timely listed.

HOMESTEAD TAX RELIEF NOTICE

Elderly or Disabled Exclusion - This program excludes the greater of the first \$25,000 or 50% of the appraised value of the permanent residence of a qualifying owner. A qualifying owner must either be at least 65 years of age or be totally and permanently disabled. The owner cannot have an income amount for the previous year that exceeds the income eligibility limit for the current year, which for the 2020 tax year is \$31,000. See G.S. 105-277.1 for the full text of the statute.

Disabled Veteran Exclusion - This program excludes up to the first \$45,000 of the appraised value of the permanent residence of a disabled veteran. A disabled veteran is defined as a veteran whose character of service at separation was honorable or under honorable conditions and who has a total and permanent service-connected disability or who received benefits for specially adapted housing under 38 U.S.C. 2101. There is no age or income limitation for this program. This benefit is also available to a surviving spouse (who has not remarried) of either (1) a disabled veteran as defined above, (2) a veteran who died as a result of a service-connected condition whose character of service at separation was honorable or under honorable conditions, or (3) a service member who died from a service-connected condition in the line of duty and not as a result of willful misconduct. See G.S. 105-277.1C for the full text of the statute.

Circuit Breaker Property Tax Deferment - Under this program, taxes for each year are limited to a percentage of the qualifying owner's income. A qualifying owner must either be at least 65 years of age or be totally and permanently disabled. For an owner whose income amount for the previous year does not exceed the income eligibility limit for the current year, which for the 2020 tax year is \$31,000, the owner's taxes will be limited to four percent (4%) of the owner's income. For an owner whose income exceeds the income eligibility limit (\$31,000) but does not exceed 150% of the income eligibility limit, which for the 2020 tax year is \$46,500, the owner's taxes will be limited to five percent (5%) of the owner's income. However, the taxes over the limitation amount are deferred and remain a lien on the property. The last three years of deferred taxes prior to a disqualifying event will become due and payable, with interest, on the date of the disqualifying event. Interest accrues on the deferred taxes as if they had been payable on the dates on which they would have originally become due. Disqualifying events are death of the owner, transfer of the property, and failure to use the property as the owner's permanent residence. Exceptions and special provisions apply. See G.S. 105-277.1B for the full text of the statute.

To receive tax relief provided by these programs you must timely submit an application by June 1st, 2020.
