HOW TO PREPARE THE REPORT
INDIVIDUAL AND/OR BUSINESS

- Fill in the appropriate information at the top of each form
- The tax is computed by multiplying 1% times the total Net Retail Receipts
- Remittance must be made by check or money order made payable to Brunswick County Revenue. **DO NOT SEND CASH**
- **Returns must be filed each month even though no tax is due.**
- If the return is filed after the due date, add a penalty of 5% of the occupancy tax due. If the tax is not paid when due, add penalty of 10% of the occupancy tax due. Should the return be RECEIVED more than 30 days late, an additional tax of 5% of the occupancy tax due should be added for each 30 days or fraction thereof. The State Law requires a 15% penalty any month the report and tax are not RECEIVED by the due date (G.S. 105-23 6. Penalties). **Any person, firm corporation or association which willfully attempts in any matter to evade the occupancy tax or make a return, and who willfully fails to pay such tax or make and file such return, shall, in addition to the penalties imposed, be guilty of a misdemeanor, and shall be punished by a fine not to exceed \$1,000 or imprisonment not to exceed six months, or by both.**
- The 1% occupancy tax levied shall be added to the rental price and shall be passed on to the purchaser. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the owner of the business as trustee for and on account of the County.
- If a rental agent handles your property, the rental agent will, for all moneys they collect, report your tax. However, if you rent your properties for certain periods by yourself, it shall be your responsibility to file the report and pay the accommodations tax.
- The return must be filed by the fifteenth of the month following the month in which the tax accrues. Tax shown to be due must be paid with the return; penalties will be imposed for late payment.
- **Forms must be completed in its entirety.**
