For patients (both children and adults) to be vaccinated: The following questions will help us determine if there is any reason we should not give you (or your child) inactivated injectable influenza vaccine today. If you answer “yes” to any question, it does not mean you (or your child) should not be vaccinated. It just means additional questions must be asked. If a question is not clear, please ask your healthcare provider to explain it.

PREVACCINATION CHECKLIST FOR FLU VACCINE	Yes	No	Don't Know
1. Are you feeling sick today			
2. Do you have any allergies? If “yes” please list below:
